WHEREAS, the Local Government Code endows the sangguniang panlungsod with powers to enact ordinances regulating the operation of tricycles and the granting of franchises therefor for the general welfare of its city and inhabitants; WHEREAS, Ordinance No. 011, Series of 2013 authorized public utility tricycles operating within Marikina City to collect the following passenger following passenger fares:

*Nine Pesos (P9.00) per passenger for the first kilometer and One Peso (P1.00) per passenger for every succeeding kilometer; and
Twenty Pesos (P20.00) for a special trip with one to two passenger(s) for the first kilometer, plus One Peso (P1.00) per passenger for every succeeding kilometer.*

WHEREAS, Ordinance No. 011, Series of 2013 likewise stipulates varying discounts upon presentation of a relevant valid ID: Two Pesos (P2.00) off the minimum fare for senior citizens and elementary students, One Peso (P1.00) off the minimum for high school and college students, and with children aged four (4) to five (5) years old only paying Three Pesos (P3.00) for the minimum fare;

WHEREAS, it likewise provides that upon a price increase or decrease in gasoline and petroleum products, the following fare adjustments shall automatically take effect: for every increase of Ten Pesos (P10.00) in the price of petroleum products, the minimum fare shall be adjusted upward; and for every decrease of Ten Pesos (P10.00) or more, the minimum fare shall be rolled back to Eight Pesos (P8.00) for the first kilometer and Eighteen Pesos (P18.00) for the special trip;

WHEREAS, based on the data of the Philippine Statistics Authority and a study recently conducted by the Office of Public Safety and Security (OPSS), the Philippines experienced a cumulative headline inflation of over forty-five percent (45%), Metro Manila's daily minimum wage rose by roughly sixty-two percent (62%), and retail fuel prices surged between seventy percent (70%) and one hundred thirty percent (130%), depending on the specific petroleum product, from 2013 to the present, rendering the 2013 Tricycle Fare Matrix grossly unresponsive to current economic conditions;

WHEREAS, due to this prevailing disparity, tricycle drivers and passengers are left to informal arrangements as to what constitutes a just fare, leaving both service providers and consumers unfamiliar with existing regulations and vulnerable to abuse;

WHEREAS, the City Government of Marikina, intending to protect the operators and drivers of public utility tricycles, as well as their passengers, from abuse, and to ensure a just and dignified fare and wage, considers the updating of the 2013 Public Utility Tricycle Fare Matrix a matter of utmost necessity;

NOW THEREFORE, BE IT ORDAINED, AS IT IS HEREBY ORDAINED, by the SANGGUNIANG PANLUNGSOD of MARIKINA, in session duly assembled, that:

SECTION 1. *Policy of Service Provider and Consumer Protection.* The City Government of Marikina commits to protect tricycle operators and drivers from unjust and unsustainable fares while safeguarding commuters from arbitrary or unregulated fare collection. The City also endeavors to ensure the continuous, safe, and equitable delivery of tricycle transport services as a vital part of its public transportation system. To this end, a mechanism for the periodic review and adjustment of tricycle fares, responsive to economic indicators such as inflation, fuel prices, and the cost of living, shall be institutionalized to prevent the fare structure from becoming outdated and

unresponsive.
SECTION 2. *Updated Rates of Tricycle Fare Tariff.* The City Government of Marikina hereby prescribes the following updated tricycle fare tariffs for public utility tricycles operating within Marikina City:

- Fifteen Pesos (P15.00) per passenger for the first kilometer and Ten Pesos (P10.00) per passenger for every succeeding kilometer;
- Thirty Pesos (P30.00) for a special trip with one to two passenger(s) for the first kilometer, plus Ten Pesos (P10.00) per passenger for every succeeding kilometer; and
- Five Pesos (P5.00) for children five (5) years old and below.

SECTION 3. *Discounts.* Eligible senior citizens and students under the Expanded Senior Citizens Act (Republic Act No. 9994) and the Student Fare Discount Act (Republic Act No. 11314) shall be entitled to a twenty percent (20%) discount on their total fare upon presentation of a relevant, physical, valid ID.

SECTION 4. *Delegation of Authority to the Marikina Office of Public Safety and Security.* The Office of Public Safety and Security, through its Transportation Systems and Regulations Unit (TSRU), shall have the authority to prepare, evaluate, approve, implement, regulate, and periodically revise the official Tricycle Fare Matrix for all authorized Tricycle Operators and Drivers Associations (TODAs) and tricycle terminals within the City.

The Fare Matrix. The Fare Matrix shall be prepared strictly in accordance with the fare Tariff approved under this Ordinance and shall be based on the actual travel distance, authorized routes, terminal locations, and other applicable transportation planning standards.

In determining the corresponding fare for each destination, the OPSS may conduct route verification, distance measurement, traffic and operational studies, and consultations with affected stakeholders.

SECTION 5. *Prohibited Acts.* The following acts are hereby prohibited:

a. *Unauthorized Fare Matrix.* No TODA, Tricycle operator and driver, or any other person shall prepare, adopt, implement, or display a Fare Matrix other than that approved by the OPSS. Any unauthorized alteration, modification, or collection of fares inconsistent with the approved Fare Matrix shall constitute a violation of this Ordinance.

b. *Overcharging.* No person shall demand, charge or collect a fare that exceeds the established tariff provided under this ordinance.

c. *Non-posting of Fare Matrix in Terminals.* Every tricycle terminal shall post the authorized Fare Matrix in each terminal.

SECTION 6. *Additional Powers of the OPSS-TSRU.* The OPSS-TSRU shall likewise have the authority to:

- a) Conduct periodic review and updating of the Fare Matrix whenever the approved Fare Tariff is amended, or whenever changes in routes, terminal locations, or road networks affect the applicable fare computation;
- b) Require all TODAs and operators to conspicuously display the official Fare Matrix in every tricycle unit and terminal;
- c) Issue implementing rules, guidelines, and technical standards necessary for the preparation, approval, implementation, and enforcement of the Fare Matrix; and
- d) Monitor compliance and recommend the imposition of appropriate administrative penalties for violations of this Ordinance.

SECTION 7. *Penalty Clause.* Violation of any of the Prohibited Acts provided under Section 5 hereof shall be meted a fine of One Thousand Pesos (P1,000.00).
